

# Introduction

Please read and follow these instructions carefully and operate the machine accordingly. This booklet provides important guidelines for safe use, installation, maintenance and some useful advice for best results when using your machine.

Keep all documentation in a safe place for future reference or for any future owners.

**Check that no damage has occurred to the machine during transit. If it has, call for service by GIAS.**

## Delivery information

Please check that the following items are delivered with the appliance:

- Instruction manual
- Guarantee card
- Blanking plug
- Inlet hose & hooked end support  
(see Unpacking and Installation Instructions)
- Base panel & x2 push clips
- Energy Label

## Do's

- All packaging materials used are environmentally-friendly and recyclable. Please help dispose of the packaging via environmentally-friendly means. Your local council will be able to give you details of current means of disposal.
- To ensure safety when disposing of an old washing machine disconnect the mains plug from the socket, cut the mains power cable and destroy this together with the plug. To prevent children shutting themselves in the machine break the door hinges or the door lock.
- This machine is solely for domestic use, i.e. to wash, rinse and spin dry household textiles and garments.
